

# Objectives for Each Camper

- Meeting and knowing Christ as a personal Friend and Savior.
- Learning that by taking your friend JESUS with them in everything they do they're guaranteed the most exciting and joy-filled life possible.
- Building self-esteem, personal growth, and interpersonal relationships through safe and enjoyable activities.
- Learning to value respect for the rights and dignity of others independent of their differences.
- Provide a safe environment for campers to try new things and teach them that failing only happens if you don't try.

## A Foundation of Confidence and Character

Wewoka Woods provides an amazing opportunity to build values, Godly character, and confidence. Through learning to reach out and accept others, campers learn how to make friends and how to be good friends. By coming together on the playing field, they learn teamwork and sportsmanship. When taking on challenges in sports, arts, and aquatics, campers develop courage and self-confidence. Daily messages remind them of God special purpose for their lives. At Wewoka Woods, we help campers believe in themselves and doing their best to honor God. The growth that results from this Wewoka Woods experience stays with our campers well beyond their summer.
